The workshop is a restricted meeting promoted within the “ENACTING project”, an action co-funded by EC, DG Employment and Social Affairs within the “EaSI Programme” (Agreement no. VS/2015/0013).

ENACTING is an action-learning initiative for a stronger cooperation about posting of workers among trade unions, employers’ organizations, control authorities.

ENACTING specifically focus on posting of workers in the building sector and in the road transport sector.

The workshop is a restricted meeting to: share main findings by the ENACTING project and to follow up the reflection about the tripartite approach for a fair posting of workers within EU. A challenge that is today emblematic within the effort to build a European Pillar of Social Rights.

The ENACTING partnership is coordinated by Istituto Guglielmo Tagliacarne (Foundation of the Italian Union of the Chambers of Commerce) and it includes: ADAPT (Italy); Arbeit und Leben e.V. (Germany); CISL - Confederazione Italiana Sindacati Lavoratori (Italy); CSC Transcom (Belgium); Iscos CISL (Italy); Ministry of Labour and Social Policies (Italy); Labour Inspection (Romania).

The project is supported by the following Associated partners: Belgian Ministry of Labour; EFBWW - European Federation of Building and Woodworkers; ANITA; ANCE; FILCA CISL; FIT CISL; IG BAU; CARTEL ALFA.
