## THE PROJECT RESULTS

### CASE STUDIES

The case studies illustrate the profile and background of several European companies:

- ✓ Description of their process and employee involvement formula
- ✓ Mechanisms used to implement the process
- ✓ Principal barriers & factors of success
- ✓ Main benefits for the company, employees, environment and society
- ✓ Possibilities for the transferability of their experience

## VIDEO STORIES

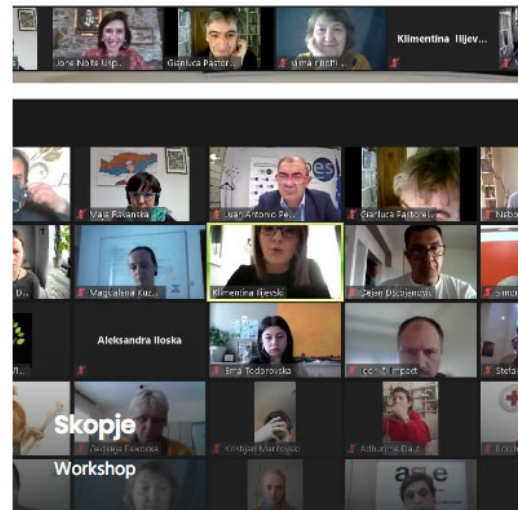

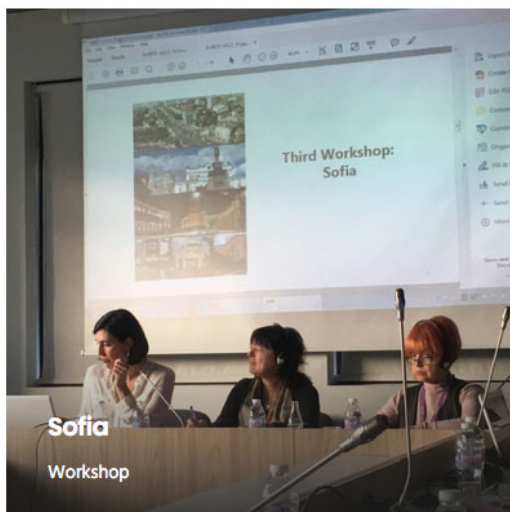

Based on 14 case studies analysed in the project, the project partners identified the most important elements for successful business transfers to employees.

By interviewing representatives of WBO companies from Bulgaria, France, Germany, Italy, Spain, North Macedonia and the UK, the video aims to present these elements.
