Statement 1.

At least something is moving forward

Statement 2.
TU coordinator can't
really help the EWC in

The tensions are too big for one person (with
his own cultural background) to handle

We can't do nothing
better with conflicts
than to avoid

They are driven by individuals and will
always happen

Statement 4.
EWCs do not
matter that much

It is not feasible to invest your energy in
EWC conflict solving

Name _____

Signature _____

Date _____

Statement 5.
We need legal skills,
'soft skills' not so much

Conflicts are always solved on legal way
at the end

Statement 6.
We shouldn't involve
too much in conflict
between EWC and
management

The management will always win at the
end

Statement 7.
It is the responsibility of
the Select Committee to
manage a conflict in EWC

They have been chosen to do that,
didn't they?

Statement 8.
There are no conflicts, it
is just a policy debate

Conflicts are naturally political by
nature

Statement 9.
EWCs shouldn't go
to court too often

We have to solve conflicts the other
way

Statement 10.
Anything you would
like to discuss?

That you consider 'a truth' about the
conflicts?

Final statement.
EWCs shouldn't
escalate conflicts too
much

Rather they should try to solve
themselves or keep them low
